

We, THE STAFF OF THE 1964 MIRROR OF SPRING GARDEN HIGH SCHOOL, would like to express our deepest gratitude and appreciation to:

THE ALUMNI OF SGHS for making this last edition of THE MIRROR possible through their cooperation. . .our apologies are extended to any, who, inadvertently, have been omitted from this history.

MRS. KATHARINE CARTER, the staff would like to give a special thank you. She has given so much of her time to compile and edit the story of SGHS. She has spent many hours in research, interviews, and work on the year-book. This edition, and the ones before it, could not possibly have been published without her many hours of hard work, which were so freely given.

THE FACULTY OF SGHS, past and present, who have performed so many services in compiling THE 1964 MIRROR...

THE FAMILIES AND FRIENDS OF SGHS, who have encouraged and supported our annual...

THE STUDENTS OF SGHS, those who handled orders for the annual, supplied necessary information, and compiled and typed the material received...

TO ALL THESE, we extend our humblest thanks and our wish is that this publication will mean as much to them as it does to the annual staff.
