The basketball team in 1930 won a trophy as county champions. The Trophy Case in the entrance hall contains twenty or more trophies won since 1951. The school has always been proud of its teams and their fine show of sportsmanship. Particularly is it proud of the number 31. This number was worn by Mary Glenn Giles from 1952-1956. She broke the county record when she made 76 points in one game.

These trophies were won for both basketball and baseball.

A reproduction of the original Pittsylvania County flag is shown to the audience at Class Night Exercises in 1956. This flag had been formally presented to the school earlier in the year.
